Counting in My Home

1. Fill in the numbers for your class census.

Our Class Survey

Family Fact	Number of Students
I have an <u>older brother or sister</u> .	
I have a <u>younger brother or sister</u> .	
I <u>speak a language other than English</u> at home.	
I was <u>born on a different island or at another location</u> .	
I have a <u>pet at home</u> .	

2. Your teacher will tell you the average number of people living in each home on your island. Write that number below, then answer this question: Does your home have more than, less than, or exactly the average number of people living there? (circle one)

3. Draw and color a picture of all the people who live in your home.

Home Extension

Take your student worksheet home and share it with an adult in your home. Show them your class census and the picture you drew of everyone in your family. Remind them to count you in the 2020 Census.
